

The AFIA Community Committee would like to invite you to attend our inaugural meeting this coming **Tuesday, Feb 4th at 6pm.**

Please RSVP [here](#).

We would love to see lots families send a representative, and we'll have food and childcare available to help make that possible.

The Community Committee is for any family members who want to work on community-building projects at AFIA. At CC meetings there is no idea too big and no contribution too small.

For instance, on Tuesday we'll start planning an AFIA family hangout and get-to-know-you session for **Family Field Trip Night** at the Nelson-Atkins Museum of Art, which will be the evening of Thursday, April 7th.

If this sounds exciting to you please come by and share your thoughts about implementing **More Community Committee Activities** such as:

Event Planning (e.g. Field Day, Playground Potluck, Class Parties)

Icebreakers (make more family friends during school events)

Fundraisers (e.g. Scholar Art & Craft Sale, Car Wash)

Teacher Appreciation Week (e.g. gifts and services like Houseplants, Lunch)

There are many, many more ways we can bolster community at AFIA. Please come join us at the CC meeting on Tuesday and let us hear what you have to say.
