

## Attention parents and caregivers of children ages 0-5!

Did you know that AFIA partners with Start at Zero to provide support to your family?

Start at Zero's programs are free,  
open to the community and focus on  
Kindergarten readiness for children ages 0-5.

---

### What does Start at Zero offer families?

- **Learning Check-ups** - virtual, in person, or online developmental screening for your child to assess Kindergarten readiness
- **Weekly Virtual Circle Time** - virtual developmental activities for children 0-5
- **Personal visits** - virtual or in person visits with a parent educator focusing on child development, parent-child interaction and family well-being
- **Resources connections** - getting you help you need

---
