School, Parent And Family Engagement Policy Hide

6995 ACADEMY FOR INTEGRATED ARTS

SCHOOL, PARENT AND FAMILY ENGAGEMENT POLICY

All check boxes marked in this policy indicate an assurance on the part of the school.

Type of Title I.A program

- Schoolwide
- Targeted
- This school parent and family engagement policy is developed jointly with, distributed to, and agreed on with parents of participating children, including parents of migrant and EL children. Section 1116 (b)(1)

Describe how the school seeks and obtains the agreement of parents to the parent and family engagement policy.

The policy is included in the Family Handbook and a copy of the policy is included with the Family-School Compact, which is signed and returned to the school at the beginning of each year. The compact outlines the roles and responsibilities of all stakeholders: parents/caregivers, students and the school. Students return a signed compact at the beginning of the year and this compact is discussed at October Family-Teacher Conferences.

- \checkmark Parents are notified of the policy in an understandable and uniform format. Section 1116(b)(1)
- ✓ The school parent and family engagement policy is provided in a language the parents can understand. Section 1116(b)(1)

POLICY INVOLVEMENT

- At the beginning of the school year, the school convenes an annual meeting, at a convenient time, to which all parents of participating children are invited and encouraged to attend. Section 1116 (c)(1)
- ✓ The agenda reflects that the purpose of the meeting is
 - ✓ To inform parents of their school's participation in the Title I.A program
 - ✓ To explain the requirements of Title I.A
 - To explain the right of parents to be involved.

Section 1116 (c)(1)

- ✓ The school offers a flexible number of meetings. Section 1116 (c)(2)
- ✓ Using Title I.A funds, to promote parental involvement the school provides (check all that apply)
 - Transportation
 - Child care
 - ✓ Home visits
 - Funds will not be utilized for these purposes

Section 1116 (c)(2)

The school involves parents in an organized, ongoing, and timely way:

In the planning, review, and improvement of the Title I.A program and if applicable Schoolwide program plan in the school. Section 1116 (c)(3)

Describe how parents are involved in the planning, review, and improvement of the Title I.A program and if applicable Schoolwide program plan in the school.

The Family Advisory Committee, which is open to any interested family member, meets annually with an administrator and teacher representatives, to inform parents of the schools participation the Title I program and share details of AFIA's Title 1 Plan.

The plan is also informed by an annual family focus group meeting and an annual Title I evaluation meeting. The purpose of the family focus group is to solicit feedback from a diverse set of families. The purpose of the evaluation meeting is to review data to evaluate the effectiveness of the school's Title I programming.

☑ In the planning, review, and improvement of the school parent and family engagement policy. Section 1116 (c)(3)

Describe how parents are involved in the planning, review, and improvement of the school parent and family engagement policy.

Parents and family members provide input to inform the development of AFIA's parent and family engagement policy at Parent Advisory Committee meetings. Childcare is provided so that parents can participate collaboratively with staff to jointly develop the parent and family engagement policy, revise the Family-School Compact, and coordinate annual family engagement events.

The school provides parents of participating children:

✓ Timely information about the Title I.A programs. Section 1116 (c)(4)(A)

Describe plans to provide information about the Title I.A programs.

Title I program information is shared via AFIA's student handbook. Every family is provided access to a copy of the handbook when they complete their yearly registration and when the school year begins. Each family signs a handbook acknowledgement form stating that they have reviewed the following: "I acknowledge that I have read the 2024 - 2025 AFIA Student Handbook. Our family has reviewed the handbook including the following components: 1) The AFIA belief statement, mission and vision 2) The academic programs, including the English as a second language, migrant education, special education and the section 504 educational accommodation plan policies 3) Federal programs compliance, including the Every Student Succeeds Act (ESSA), Title I programs compliance, the parents right to know, the McKinney-Vento Homeless Act, parental involvement and the Complaint Procedures 4) Student code of conduct."

We also review this information annually at the first Family Advisory Committee meeting of the school year. Childcare is provided.

A description and explanation of the curriculum in use at the school, the forms of academic assessments that are used to measure progress, and the achievement levels of the MAP assessment.

Section 1116 (c)(4)(B)

Describe methods and plans to provide a description and explanation of the curriculum, academic assessments, and MAP achievement levels.

AFIA hosts an annual curriculum night to share information about our curriculum and assessment program, including the Missouri Assessment Program. Additionally, MAP achievement levels and results are discussed at family-teacher conferences.

- Opportunities, as appropriate, to participate in decisions relating to the education of their children. Section 1116 (c)(4)(C)
- \checkmark Responses to their suggestions as soon as possible. Section 1116 (c)(4)(C)

SHARED RESPONSIBILITY FOR HIGH STUDENT ACHIEVEMENT

School-Parent Compact

The School-Parent Compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Section 1116 (d)

✓ The school jointly develops with parents of Title I.A served children the school-parent compact.

The school-parent compact will

Describe the ways in which all parents will be responsible for supporting their children's learning. Section 1116 (d)(1)

AFIA's compact identifies the following as ways in which parents will support children's learning:
-Ensuring my child attends school on time every day possible
-Assisting with my child's homework and ensure it is completed
-Ensuring that my child reads at least 20 minutes every day outside of the school day
-Monitoring the amount of television my child watches each day
-Volunteer in my child's classroom/school
-Return requested information and documents in a timely manner
-Review newsletters and other communication from the classrom teacher and school
-Reading weekly communication from school called "Wednesday Weekly"
-Update contact information when phone numbers change, etc
-Review student work and participation via Seesaw

 \checkmark Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment. Section 1116 (d)(1)

AFIA's compact identifies the following as ways in which the school will provide a high-quality education: -Providing a rigorous curriculum that is artistically approached in a supportive and effective learning environment. -Holding semi-annual family-teacher conferences that address student progress during first and second semester and discuss student academic achievement and classroom behavior -Providing families with daily/weekly reports on child progress, which may include regular updates and suggestions from classroom educator -Quarterly reports (progress reports and grade cards)
-Meetings with support staff, such as the Family School Liaison Be accessible to families through: -Phone calls or in-person meetings -Home visits by educators and counselors -Opportunities for families to volunteer and participate in their child's class, and to observe classroom activities by: -Invitations to attend class field trips and assisting with student work in the classroom

- Addresses the importance of communication between teachers and parents on an ongoing basis through, at a minimum
 - Conducting parent-teacher conferences at least annually, during which the compact shall be discussed
 - Issuing frequent reports to parents on their children's progress
 - Providing reasonable access to staff, opportunities to volunteer, and observation of classroom activities
 - Ensuring regular two-way, meaningful communication between family members and school staff, and, in a language that family members can understand

Section 1116 (d)(2)(A) (B),(C),(D)

BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school

- ✓ Provides assistance to parents, as appropriate, in understanding
 - o the Missouri Learning Standards,
 - o the Missouri Assessment Program,
 - o local assessments,
 - o how to monitor a child's progress, and
 - o how to work with educators to improve the achievement of their children.

Section 1116 (e)(1)

Describe plans to provide assistance.

AFIA partners with families to improve academic achievement by:
-provide an annual curriculum night and other family engagement activities
(Gallery Walk in the school to review student work, etc)
-meet individually with parents/guardians as needed to discuss classroom level
interventions and referring a student to the Student Success Team when classroom
interventions are unsuccessful
-collaborate with families about how they can support academic learning at home

✓ Provides materials and training to help parents work with their children to improve achievement. Section 1116 (e)(2)

Describe plans to provide materials and training.

Five interactive family education events are held each year to provide training and materials to help family members support children's school success. The topics are selected by the Family Advisory Committee at the beginning of each year.

Educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. Section 1116 (e)(3)

Describe plans to educate school personnel regarding working with parents.

The school provides on-going training to staff regarding family partnership. Staff expectations for family engagement are specified in a document titled "AFIA Family Communication Commitments" and include expectations for things such as positive parent contacts and classroom newsletters.

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school

To the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. Section 1116 (e)(4)

Describe plans to coordinate and integrate.

AFIA's Family School Liaison serves as a member of the Family Engagement Committee and works coordinate school partnerships with community programs and match families with organizations that meet their needs.

- Ensures that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, in a language the parents can understand. Section 1116 (e)(5)
- ✓ Provides reasonable support for parental involvement activities under this section as parents may request. Section 1116 (e)(14)

Optional additional assurances

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school: (optional; check if applicable)

- \square Involves parents in the development of training for teachers, principals, and other educators to improve the effectiveness of parent involvement training. Section 1116 (e)(6)
- Provides necessary literacy training from Title I funds if the local educational agency has exhausted all other reasonably available sources of funding for literacy training. Section 1116 (e)(7)
- Pays reasonable and necessary expenses associated with local parental involvement activities, including transportation and child care costs, to enable parents to participate in school-related meetings and training sessions. Section 1116 (e)(8)
- Trains parents to enhance the involvement of other parents. *Section 1116 (e)(9)*
- Arranges school meetings at a variety of times, or conducts in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend conferences at school, in order to maximize parental involvement and participation. Adopts and implements model approaches to improving parental involvement. Section 1116 (e)(10)
- ☐ May adopt and implement model approaches to improving parental involvement. Section 1116 (e)(11)

- Establishes a districtwide parent advisory council to provide advice on all matters related to parental involvement in Title I programs. Section 1116
- May develop appropriate roles for community-based organizations and businesses in parent involvement activities. Section 1116 (e)(13)

ACCESSIBILITY

In carrying out the parent and family engagement requirements of the Title I program, the school, to the extent practicable,

- ✓ Provides opportunities for the informed participation of parents and family members, including:
 - Parent and family members who have limited English proficiency.
 - ✓ Parent and family members with disabilities.
 - ✓ Parent and family members of migratory children.
- Provides information and school reports in a format and, in a language parents understand. Section 1116 (f)

Comprehensive Needs Assessment Hide

6995 ACADEMY FOR INTEGRATED ARTS

COMPREHENSIVE NEEDS ASSESSMENT (school level)

Section 1114(b)(6)

- ✓ A comprehensive needs assessment of the entire school has been conducted.
- ▼ The needs assessment includes analysis of the achievement of students in relation to the Missouri Learning Standards.

Date of Needs Assessment

5/28/2024

NEEDS ASSESSMENT: SCHOOL PROFILE

Student Demographics

The following data regarding **student demographics** has been collected, retained, and analyzed:

- Enrollment (Required)
- ✓ Grade level (Required)
- Ethnicity (Required)
- Attendance (Required)
- ✓ Mobility (Required)
- ✓ Socioeconomic status (Required)
- ✓ Discipline (Required)
- ✓ Limited English Proficiency (Required)

Summarize the analysis of data regarding ${\bf student\ demographics}:$

Strengths:

Our school population is diverse. Some students have very strong attendance.

Weaknesses:

We serve students who experience a high mobility rate due to living in poverty and homelessness. We must continue to support our most vulnerable families to ensure that they are able to attend school everyday and arrive on time. Most of our families live in poverty. While this is not a weakness, this is a challenge that we must navigate. We are incredibly concerned that some students are chronically absent. Forty percent of our students attended school less than 90% of the time during the past school year. This is very concerning and will be a focus area during the 24-25 school year.

Indicate needs related to strengths and weaknesses:

We need to continue to partner with outside organizations to support our vulnerable families who struggle to meet basic needs (shelter and food). We also need to continue use our student success process to ensure that we are working in partnership with families to meet students' needs. We have a robust partnership with Swope Health Services. The caseworkers from Swope connect families to important resources, including mental health resources. We need to work with the families who have low attendance to improve attendance.

Student Achievement

The following data regarding student achievement has been collected, retained, and analyzed:

- MAP results by content area and grade level, including multi-year trends (required)
- MAP results by ESEA Annual Measurable Objective: comparative data showing performance of disadvantaged students against all other meaningful categories of students in the school; comparison of performances of students in various subgroups (required)
- ✓ Completion rates: promotion/graduation rate, retention rates (if applicable)
- Post-Secondary trends: students attending and/or completing post-secondary schools, students accepted in the armed forces (if applicable)
- ✓ Other performance indicators used in analysis:

NWEA growth data
NWEA Fluency
District pre and post math assessments

Summarize the analysis of data regarding student achievement:

Strenaths:

Many students demonstrated significant growth on district assessments. Our growth scores for both math and ELA were strong on the state Annual Performance Report. Our goal is for students to make over a year's growth in one school year, since most of our students enter our school below grade level. We do see progress.

Weaknesses:

While we see progress, we know that we have urgent work to do to continue to accelerate learning for our students. Most of our students begin the school year below grade level, with many of our students starting out significantly below grade level. Thus, we must achieve more than one year's growth during a school year. This is challenging, but urgent and important work. Based on this past year's data, we do know that our students will continue to need significant support and interventions in the coming year.

Indicate needs related to strengths and weaknesses:

We need to continue to accelerate our students' academic growth by continuing to accelerate learning through the use of careful data analysis and using this information to inform instruction. We also must continue to differentiate instruction and use interventionists.

Curriculum and Instruction

Data has been collected, retained, and analyzed regarding each of the following factors of curriculum and instruction at the school:

- Learning expectations
- ✓ Instructional program
- Instructional materials
- Instructional technology
- Support personnel

Summarize the analysis of data regarding curriculum and instruction:

Strengths:

Our strengths include that we have a strong team of educators who are committed to continual improvement as educators. We have a targeted and strategic approach to professional development and dedicate about 16 hours a month to shared learning. We are investing significant time in ensuring that our math and ELA curriculum is aligned to the MO Learning Standards. Another strength is our use of arts integration and project approach, as these innovative approaches allow for deeper, more meaningful learning.

Weaknesses:

We see a need to improve in our ability to differentiate instruction while also ensuring all students have access to on grade level content and on grade level complex text. We see a need to support teachers in creating data driven lesson plans that meet the needs of all students.

Indicate needs related to strengths and weaknesses:

--We need to better leverage the use of technology for deep learning.
--We need to continue to ensure that our teachers know the new MO Learning
Standards deeply and strategically cover essential content in the classroom.
--We need to continue to ensure that students have the opportunity to demonstrate their learning at all DOK levels and that teachers are using formative assessment on a daily basis to inform instruction.

High Quality Professional Staff

Data has been collected, retained, and analyzed regarding each of the following factors of a high quality professional staff:

- ✓ Staff preparation
- Core courses taught by appropriately certified teachers
- ✓ Staff specialists and other support staff
- Staff demographics
- School administrators

Summarize the analysis of data regarding **high quality professional staff**:

Strengths:

Our teaching staff is dedicated, high quality and reflect our student population. For example, over 40% of our teachers in core content areas identify as BIPOC and about 40% of our teachers in core content areas are African American. As a school with a high percentage of African American students, this is important to our school community. Our teachers build effective, caring relationships with students and families. They also operate from a growth mindset and are continually working to improve their practice as teachers. We are continuing our implementation of a co-teaching model in all classrooms. This will help us better meet the complex needs of our students.

Weaknesses:

As a small school, our staff members must take on multiple roles. This is true in every school setting, but in small schools, this can be a an even bigger challenge. We have a lot of new teachers and our new teachers need a high level support in classroom management and in instruction.

Indicate needs related to strengths and weaknesses:

Our needs include a clear coaching plan to ensure that not only our new teachers are growing in their ability to be effective teachers, but our more experienced teachers are also being challenged to grow. We must create and implement thoughtful onboarding professional development. We also must strategically support our co-teaching model so that we are leveraging our human resources to better meet the needs of our students.

Family and Community Engagement

Data has been collected, retained, and analyzed regarding each of the following factors of family and community engagement at the school:

- Parental involvement
- Communication with parents
- ✓ Policy Involvement
- Parent education
- Support for special needs and underserved
- ✓ Health services

Summarize the analysis of data regarding family and community engagement:

Strengths:

During family events, such as our back to school open house and family teacher conferences, we have a high level of participation. Our families are supportive of our work and partner with us in the education of their children. We partner with the community to support our students' needs. For example, we have partnerships with Swope Health (mental health), Literacy Lab (tutoring for students who are reading below grade level) and Start at Zero (support for children 0 - 4. Over this past year, we participated in a Family School Collaborative cohort funded by a local foundation. This helped us to grow in our ability to collaborate with families.

Weaknesses:

While we have good participation overall, we do have a challenge engaging about 15 - 20% of our families. We need to improve in our ability to communicate to families about where their students are academically in the context of grade level expectations while providing families with concrete ideas for supporting their child's learning at home. Additionally, we need to continue to engage partners who can assist us in supporting our most vulnerable families as they struggle to meet their family's basic needs. Finally, we do have a family engagement committee and we would like to increase participation on this committee.

Indicate needs related to strengths and weaknesses:

As a school community, we need to offer more resources for families in helping them indentify ways in which they can best support their students to grow academically. We also need to continue to grow our relationships with external partners who can assist us in supporting our most vulnerable families.

School Context and Organization

Data has been collected, retained, and analyzed regarding each of the following factors of school context and organization at the school:

- School mission/vision
- Average class size
- School climate
- Management and governance
- Student discipline policy

Summarize the analysis of data regarding $\mbox{\bf school}$ $\mbox{\bf context}$ and $\mbox{\bf organization}$:

Strengths:

As an arts integrated school, we have an unique mission and vision. We believe that learning is deeper and more meaningful when children have the opportunity to learn through the arts in core academic areas. Additionally, we work to keep our class sizes small and are implementing a co-teaching model to keep our student to adult ratio low and to provide more opportunities for small group learning for students. We are a trauma informed school and utilize restorative justice practices. Additionally, we work diligently to determine alternatives to suspension.

Weaknesses:

This is not necessarily a weakness, but a challenge - some students enter our school who have attended many different schools. This causes challenges with school climate. Over the past school year, we experienced more discipline challenges than previous years. Student survey data demonstrates that some students do not feel like that other students are treating them with respect and care.

Indicate needs related to strengths and weaknesses:

Our student population experiences some mobility. This means we have a significant number of new students to our school population each year. We need to better support students new to our school culture. We also need to continue to improve in our implementation of arts integration.

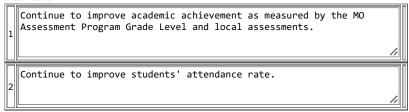

NEEDS ASSESSMENT: IDENTIFYING PRIORITIES

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..."

(Designing Schoolwide Programs Non-Regulatory Guidance, March 2006)

List and number, in order of priority, the critical needs identified in the school profile.

Prioritized needs

Schoolwide Program Hide
